

## BLAKE'S SCHOOL UNIFORM SIZING CHARTS:

Sizing for uniforms is not the same as standardized clothing sizes. Please consult the accompanying charts as a guide for specific sizing information.

### How To Measure For A Correct Fit

**A. Waist:** Keeping one finger between tape measure and body, measure where you normally wear slacks, skirts, shorts, etc. Keep the tape comfortably loose. Waist sizes are very important for a correct fit.

**B. Chest/Bust:** Measure just under the arms and across shoulder blades. Hold tape firm and level. Girl's/ladies measure around the fullest point of bust, under arms and across shoulder blades.

**C. Hips:** Standing with feet together, measure around fullest part of hip area at top of legs.

**D. Inseam:** Measure a well fitting, similarly styled pair of pants. Lay them flat, with the front and back creases smooth. Measure from the crotch to the bottom of the leg hem along the seam.

**E. Neck:** Measure a shirt collar that fits you well. Lay collar flat. Measure from center of collar to the far end of buttonhole. Double that measurement for correct neck size.

**F. Belts:** Order one or two inches bigger than waist size.

**G. Skirt lengths:** Generally up to age 12 need to order girl's size skirts. Ages 13 and up (to 5'6" in height) need to order a T (teen) size skirt. Girls 5'7" and taller should order a TL (tall length) skirt. Please be sure to include your child's height and weight where indicated on the order form.

**H. Sweaters and Jackets:** Order one size up from shirt or blouse size.
