Computer Club is a Big Hit

by Nicole Bilodeau (5)
The computer club is a very exciting club. In the club you get to take apart a computer. This year, the people in the club also get to make their very own movies. It will be about a day in the life of a St. Gabriel Student. I think this year's club will be the

most fun in years. Next year, be sure to join. You can come from grades 4, 5, 6, 7, or 8. If you join, you get to play games, make movies, do a PowerPoint

presentation, and take apart computers. Everyone thanks Mrs. McCaffrey for taking time every Monday and Tuesday to make this happen.

Freddy's Latest and Greatest - The PSP

by Freddy Krauss (6)
The PSP has a wide variety of different settings. One setting is that you can download your favorite music plus music files on a memory stick duo. Another setting is that the PSP

can go on the Internet whenever you are in an Internet assessable location. The gaming section, with a dazzling wide LCD screen, brings gaming alive. Whether playing online or getting high score, you can play

anywhere. I have a PSP and there are good games like Midnight Club 3 Dub edition Another one is MLB baseball 2005, which I give 5 stars. To wrap up the PSP, it can also play a variety of movies.

Soccer Stars from England

by Kelly Weiss (5)

One Friday in October, Phil and Stew came into the fifth grade. We asked them questions about their life in England and what it's

like to be a soccer coach. Both gave very attentive answers. They were staying at Michelle Dahlems house. Here are their autographs:

It has been a long, mournful wait but hockey is back. The NHL plan for a high scoring game is a success. The goal crease is enlarge. I myself a hockey fan it was a very hard time not seeing hockey every night.

Notre Dame - Back on Top?

by Matt Pranaitis (6)
Notre Dame has had a great season despite some tough loses. I would not be surprised if Notre Dame is the number one team in the nation next year. Notre Dame has recently signed head

coach Charlie Weis to a 10-year deal. After Notre Dame's tough defeat against USC coach Charlie Weis went to the USC locker room to congratulate the Trojans on their win. That I say sports fans

is true class. Notre Dame has players that will be future NFL stars. I will expect that coach Weis will have a great recruiting class next year. I say Notre Dame has a coach that is a true winner. Notre Dame will truly

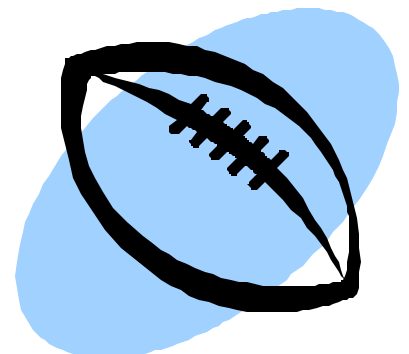

be back on top next year!
