

St. Gabriel School Gift Card Program

ShopWithScrip (SGS Gift Card Program) is a year long fundraiser offered by St. Gabriel School. Gift cards are purchased at face value and earn a percentage credit back to the school; the credit amount depends on the retailer. 100% of the gift card *profits* goes toward SGS families fundraising obligation (up to \$300). After families have reached \$300 in profits, additional profits then go toward your tuition for the following year (up to \$200).

For example:

Geissler's offers a 5% credit. If you purchased \$200 in Geissler's gift cards, the school would receive \$10 in credit. The \$10 credit would be credited to your \$300 annual family fundraising obligation.

Doesn't sound like a lot of credit? Order weekly and watch your credit accumulate! Buy your Dunkin, Target and Stop & Shop cards weekly! Need birthday presents - we have you covered! Starting your Christmas shopping – start stocking up now!

How does the program work? Its easy! You can earn credits through 3 ways of purchasing.

1. You can submit orders to the school office conveniently through your child's backpack. Fill out an order form, include payment (cash or check) and seal in an envelope marked "Gift Card Program". You can send orders in all week. Orders get collected on Fridays and the gift cards are distributed the following Friday, or sooner, if they are available. All gift cards will be sent home through your child's backpack unless otherwise indicated on the order form. Checks should be made payable to **SGS Home & School**.
2. You can also gift cards online through the www.shopwithscrip.com website or the RaiseRight App. You must set up an account. Please send an email to giftcards@stgabrielschool.org for the SGS enrollment code. The advantages of having a digital account are:
 - You can place orders physical gift card orders online. No need to submit paper orders to the school. Just payment would need to be sent to school.
 - You have the option to pay via bank account or credit card (for a fee).
 - You can purchase E-Gift Cards and receive digital cards immediately. Great when you are on the go.
3. If you need gift cards at the last minute. The school office has a supply of popular cards that can be paid for and picked up immediately.

There are hundreds of retailers that participate in this program. A listing of the most popular retailers is on the order form. For a complete list of retailers, visit www.shopwithscrip.com/brands
